

Carol Panchaud

Private education counsellor

Are you looking for a **private school**, a **language course**, a **summer camp** or a **management program** ...
for your child or yourself ?

How to make the **right choice** ?

In partnership with more than 120 organisations in Switzerland and abroad, Educom helps you in the selection of the best suited program for your child

According to your needs, Educom offers free information and competent counselling

Educom studies each case individually via personal contact with the parents or the student and recommends the most appropriate school and program according to the wish, the ability and the motivation of each student.

A large range of schools to suit everyone !

Conscious of the importance of choosing the appropriate training for young people, Educom directs parents and students to the right school.
